Capacity Building

Support Coordination

Service	NDIS Code	Description	Unit of Measure	Current Price (July 2022)
Support Coordination - Level 2	07_002_0106_8_3	This support item strengthens a participant's ability to design and then build their supports with an emphasis on linking the broader systems of support across a complex service delivery environment. This involves working together with the participant to understand the funding, identify what participants expect from services, and how participants want this designed. Coordination of Supports also includes coaching participants, and working with participants to develop capacity and resilience in their network.	Hour	\$ 100.14
Support Coordination - Level 3	07_004_0132_8_3	This support is delivered utilising an expert or specialist approach, necessitated by specific high complex needs or high level risks in a participant's situation. Specialist Support Coordination is delivered by an appropriately qualified and experienced practitioner to meet the individual needs of the participant's circumstances such as a Psychologist, Occupational Therapist, Social Worker, or Mental Health Nurse. Specialist Support Coordination is expected to address complex barriers impacting a participant's ability to implement their plan and access appropriate supports. Specialist Support Coordinators assist participants to reduce complexity in their support environment, and overcome barriers to connecting with broader systems of supports as well as funded supports.	Hour	\$ 190.54
